The 2023 Rochester L'Abri Conference "From one generation to another: The Christian Education Mandate and its Challenges" will take the general theme of 'Higher Education'. G.K Chesterton once wrote "Education is simply the soul of a society as it passes from one generation to another." And passing the baton onto the next generation has always been part of the Biblical mandate. Evangelicals have long wrestled with good models for educating minors, but arguably the greater challenge today is in post-secondary or higher education, and, equally, if we are to 'disciple the nations', then the Church's role in shaping the mind of believers more generally is a critical issue. At this year's Conference, we want to look at all aspects of a Christian approach to Education - its motives, methods and models. For more information see www.rochesterlabriconferences.org or talk to Ian and Buffy Barrs.

Donna Wood farewell—*Our Mom is leaving Iowa behind and moving to the Cleveland-area to be closer to family. No gifts please but a card or memory you want to write down and share would be cherished very much.* **Her new address as of February 2nd will be:** 26727 Midland Rd., Bay Village, OH 44140. **Please pass this invite along to anyone we may have missed!** Please RSVP: Sarah Logan, logans5135@gmail.com or text 612-749-0152
