Voice of the Congregation survey information is on the other side ➡

Voice of the Congregation Survey

We are grateful to be partnering this spring with Brown Church Development Group to conduct a comprehensive assessment of our church's ministry. One of the tools we are using for this assessment is an all-church "Voice of the Congregation" survey. We are hopeful that everyone who worships at GracePoint will complete this survey.

If you have not already completed the survey, please do so by clicking on <https://www.surveymonkey.com/r/GracePointChurchvoc> on a computer or mobile device. You can also type this address into any browser manually.

Here are some things to know as you complete the survey:

- If you share this email address with your spouse or other family members and/or use the same computer, each person can individually click on the link (or cut and paste the link in your browser) and complete the survey. This is not an email/computer specific link.
- The question that asks about "small groups" includes all kinds of groups from 3-20 people. Examples include any of GracePoint's women's groups, men's groups, accountability groups, small groups, youth group, etc. Please note that Adult Sunday School does not count as a "group" for the purpose of this question.
- Thank you in advance for your participation! Please submit your responses no later than Friday, March 25th. Should you have any questions, don't hesitate to contact me by email or phone.
